# INTRODUCTION

Incorporated in 1985 by a group of Bumiputera Entrepreneurs to operate a quarry in the Northern part of West Malaysia, Bukit Jerneh Quarry Sdn Bhd (BJQ) has since diversified into a Trading, Construction and Property Development organisation.

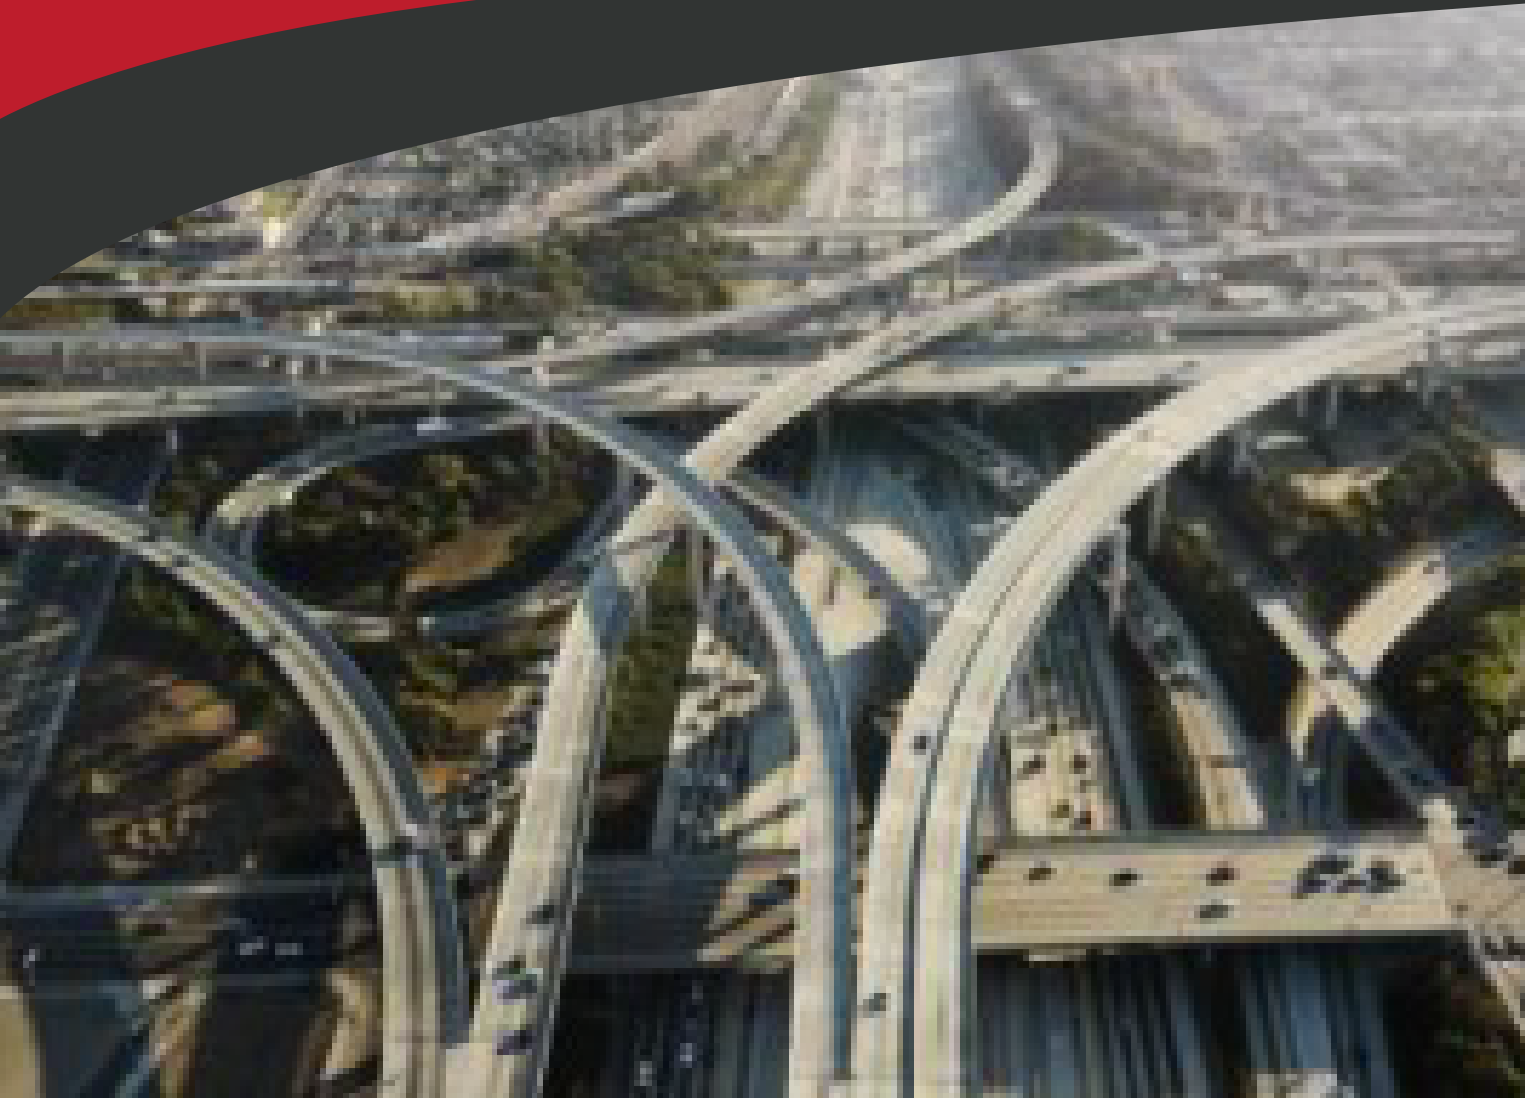

In 1993, the Company was registered as 100% Bumiputera Contractor with Pusat Khidmat Kontraktor in Class BX, and by 1999 was upgraded to Class A Bumiputera Contractor. It has achieved premier national accreditation and currently registered with PKK – Class A, PKK – Bumiputera Status, CIDB – G7, TNB, Telekom and Kementerian Kewangan status. BJQ also has full ISO 9001 certification and non politically link company.

BJQ services several industry sectors and has a proven track record of success in particular with design and build projects. Additionally, BJQ provides construction advisory and management services as well as consultancy. We excel in project delivery through various methods including design and construct, construct only, traditional fixed lump sum, schedule of rates contracts, joint ventures and alliances.

We employ industry professionals with proven expertise in project planning, development, design, technology and finance. We deliver projects on time and within budget and provide project advisory and consulting services that exceed client expectations.

Our aim is to ensure the project is delivered efficiently with controlled costs, schedules and scope of work without compromising on quality.
